

KLONDIKE Washer Fluids: -40°C, -35°C, Summer Wash 0°C

PRODUCT DESCRIPTION

KLONDIKE Washer Fluids is a family of advanced, premium windshield cleaners and de-icers for all-season use.

APPLICATIONS

KLONDIKE Washer Fluids are designed for use in automotive, light truck, and heavy duty on- and off-road equipment wherever windshields need to be clean and clear to maximize visibility and safety.

FEATURES AND BENEFITS

KLONDIKE Washer Fluids deliver true all-season performance for windshield cleaning. The advanced formula contains special surfactants which easily remove road film, bugs, light tar, tree sap, and similar contaminants. These de-icing formulas are specially formulated for the Canadian winter climate to ensure reliable performance in very adverse weather conditions. These premium winter formulas cut through frost and ice buildup on the windshield and wiper blades to maintain maximum visibility.

KLONDIKE Washer Fluids are available in three all-season formulas for various climatic conditions: -40°C, -35°C, Summer Wash 0°C.

KLONDIKE Washer Fluids deliver value through the following benefits:

- **Wide application range** — suitable for use in all cars and trucks, on- and off-road.
- **Advanced cleaning** — premium cleaning agents easily clear windshield of road film and debris.
- **Freeze protection** — maximum freeze protection in cold weather.
- **Compatibility** — compatible with all other washer fluids.

KLONDIKE Washer Fluids**TYPICAL TECHNICAL PROPERTIES**

PROPERTY	KLONDIKE		
	-40°C	-35°C	SUMMER WASH 0°C
Specific gravity	0.942 – 0.946	0.950 – 0.954	0.969 – 0.973
Freeze Point, °C	-40 min	-35 min	0 min
Water, mass %	57 max	63 max	78 max
Effect on non-metals	No effect	No effect	No effect
Effect on vehicle finish	No effect	No effect	No effect
Color	Blue	Blue	Pink

All stated physical properties are typical of standard production and may vary.

Technical Notes:

- KLONDIKE Washer Fluids are ready to use products. Dilution with water will reduce expected performance characteristics.

HEALTH AND SAFETY

This product is not expected to have adverse health implications when used for its intended application. For detailed information on safe handling of this product, refer to its Material Safety Data Sheet (MSDS). To obtain an MSDS on this or any other KLONDIKE product, please visit www.klondikelubricants.com or call 1-877-293-4691. When disposing of used product, be responsible to the environment.

BRAVING THE FORCE OF MOVEMENT

KLONDIKE stands for robust, reliable, high quality products tailored to suit the requirements of the on- and off-road heavy duty, automotive and industrial markets. Our solutions span from trend-setting retail lubricants through small-batch custom formulations to large bulk orders ready for immediate delivery.

The extensive KLONDIKE product range includes premium oils, lubricants, greases, chemicals and specialty fluids formulated with virgin base oils and protective inhibitors. Designed to handle the most extreme climates and operating conditions, the KLONDIKE products protect and extend the life of your equipment, optimize performance and improve productivity while meeting and exceeding industry standards and specifications.
